1. The Glanzstoffabrik St. Poelten AG produces 1,400 tons of artificial silk cloth and thread annually. Of this amount, 840 tons have been shipped to the Soviet Union. In February 1947, however, Mikoyan issued an order to the effect that the entire output henceforth would be sent to Russia.
2. [redacted] the Stadlauer-Lederindustrie [redacted] factory consumes leather and chemicals in the value of 300,000 schillings a day. [redacted] all products of this plant are shipped to the USSR.
3. The Brunn Glass Factory produces 350,000 square meters of window glass annually and is the most important of its kind in Austria. The entire output is sold to the Austrians.
